PRIVACY POLICY

This page describes how the website manages the processing of personal data of users who visit it.

This policy is provided in accordance with Articles 13 and 14 of EU Regulation 679/2016 (GDPR) – the Code on the Protection of Personal Data – to those who interact with the web services of **ING. ITALO BRICCOLA S.P.A.**, accessible online at <http://www.briccola.it>.

This policy applies only to the website <http://www.briccola.it>, owned by **ING. ITALO BRICCOLA S.P.A.**, and not to other websites that users may access via links.

DATA CONTROLLER

When visiting this website, data concerning identified or identifiable persons may be processed. The data controller is **ING. ITALO BRICCOLA S.P.A.**, with its registered office at **Via G. Leopardi 25, 22075 Lurate Caccivio (CO), Italy**.

DATA PROCESSING LOCATION

The processing of data related to this website's services takes place at the aforementioned premises of **ING. ITALO BRICCOLA S.P.A.** and is handled exclusively by authorized technical personnel or individuals responsible for occasional maintenance operations.

No data from the web service is disclosed or shared. Any personal data provided by users requesting informational materials (such as newsletters) is used solely to fulfill the requested service.

TYPES OF DATA PROCESSED

Browsing Data

The computer systems and software procedures responsible for running this website collect certain personal data as part of their normal operations. The transmission of this data is implicit in the use of Internet communication protocols.

This information is not collected to be associated with identified users, but by its nature, it could, through processing and association with data held by third parties, allow users to be identified. This category of data includes IP addresses or domain names of the computers used to access the site, the URI (Uniform Resource Identifier) addresses of requested resources, the time of the request, the method used to submit the request to the server, the size of the response file, the numerical code indicating the response status from the server (successful, error, etc.), and other parameters related to the user's operating system and IT environment.

This data is used exclusively to obtain anonymous statistical information on the website's usage and to verify its proper functioning. The data could be used to determine responsibility in the event of potential cybercrimes against the website, but only upon request by the relevant supervisory authorities.

Data Voluntarily Provided by Users

Sending emails to the addresses indicated on this website is voluntary, explicit, and intentional. Doing so involves the subsequent acquisition of the sender's email address, necessary to respond to requests, as well as any other personal data included in the message.

COOKIES

No personal user data is acquired by the website. The website does not use cookies to transmit personal information, nor does it use any type of persistent cookies or user tracking systems.

The use of session cookies (which are not permanently stored on the user's computer and disappear when the browser is closed) is strictly limited to transmitting session identifiers (random numbers generated by the server) necessary for secure and efficient website navigation.

Session cookies used on this site avoid the need for other IT techniques that could compromise user privacy and do not allow for the collection of personally identifiable data.

VOLUNTARY PROVISION OF DATA

Except as specified for browsing data, users are free to provide personal data in request forms or via other means of contact with **ING. ITALO BRICCOLA S.P.A.** to request information materials or other communications.

Failure to provide such data may result in the inability to obtain the requested information or services.

SECTION FOR MINORS

No person under the age of 18 may submit information to this website, make purchases, or enter into legal agreements via this website without prior parental consent or authorization from a guardian, except where permitted by applicable laws.

DATA PROCESSING METHODS

Personal data is processed using automated tools for the time strictly necessary to achieve the purposes for which it was collected. Specific security measures are in place to prevent data loss, unlawful or incorrect use, and unauthorized access.

USER RIGHTS

Data subjects have the right at any time to obtain confirmation of whether or not their personal data exists and to know its content and origin, verify its accuracy, or request its completion, update, or correction (Articles 15–22 of EU Regulation 679/2016).

Under these provisions, users also have the right to request the deletion, anonymization, or blocking of data processed in violation of the law and to object, for legitimate reasons, to its processing.

If you have any concerns regarding the privacy policy adopted by **ING. ITALO BRICCOLA S.P.A.**, its implementation, the accuracy of your personal data, or the use of collected information, please contact us by email at commerciale@briccola.it.
